

In the event of your death, you may wish to nominate the person(s) to whom you would like the Trustees to pay out any benefits due. This form is designed to make the Trustees aware of your wishes. It is recommended as you reach various life stages (for example getting married), you ensure you complete a new wishes form and the Trustees are advised as necessary. It is important to note however; this form is not binding, and the benefits are payable at the discretion of the Trustees.

Once completed, place this form in a sealed envelope (with your name indicated) and return it to your HR department or the Trustees of your Scheme.
